metrology@doms.dk

CVR-nr. 29607079

EU Type Examination Certificate (TEC)
Serial number of Measuring Instrument (In case of more Measuring Instruments, refer to list)
Located (In case of more locations, refer to list)

The above Measuring System(s) has been changed and therefore is no longer as it was/they were, when it/they passed the final step of its/their conformity process and when the Declaration(s) of Conformity was/were issued.

With this application, we automatically grant Doms Metrology ApS access to all relevant documents related to identification, marking, sealing and functionality of the Measuring System covered by the TEC in question. Doms Metrology ApS may obtain this documentation directly from the Notified Body, having issued the TEC. The documentation will be accessible to the persons at Doms Metrology ApS that are involved in the Product Verification, only. In case no contract is signed between the applicant and Doms Metrology ApS or when the Product Verification has ended, all documents are returned to the applicant.

The undersigned, being holder of the TEC for the Measuring Instrument hereby applies for Product verification of the above Measuring Systems.

Return the completed form to Doms Metrology ApS

Procedure after receipt of application

After having read the relevant documents, Doms Metrology ApS shall prepare and forward an offer for the Product Verification. The offer is written in the form of a contract in two identical copies and includes terms, timeframe, details of work, document flow and prices.

If case the offer is accepted, the applicant shall forward to Doms Metrology ApS one signed original of the contract. Upon receipt of this signed original, Doms Metrology ApS shall carry out the Product verification and forward the result to the applicant upon which the applicant may issue a new Declaration of Conformity.
